

Lacking specific confirmation, the broadcast date was pre-empted Tuesday for this multi-part series, "The Phantom Chase Matter".

The indicators to support this assumption are the missing script for Tuesday, October 23rd and the post show promo on the last show, episode 10, "...on Monday's show..."

You can also track the expense items from the last announced expense item, 22 on episode 6 to the announced expense item 23 on episode 8.

The significance of this assignment accepts the premise that the planned 10 episode story was presented in its entirety with 9 episodes.
